

■ How to Play

-

- ## Rules for Block Placement

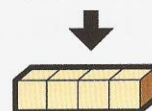

-

-

-
- Diagram illustrating correct and incorrect stacking methods:
- Incorrect:** A brown block is placed on top of a yellow block, but it is not aligned. This is labeled **BAD!** with a large 'X' over it.
 - Incorrect:** A brown block is placed on top of a yellow block, but it is rotated 90 degrees. This is labeled **Different orientation**.
 - Correct:** A brown block is placed on top of a yellow block, with the brown block's front edge aligned with the yellow block's front edge. This is labeled **Only partially stacked** and **GOOD!** with a circle.
